

Sirs: ARRL petition good Except - 40 meters new Novice -7250 -7300 SSB and extend phone to 7110 or 7100. Add 29100 -300 for AM, FM -Novice.75 meters ok but start phone at 3700 if new Novice gets 3900 to 4000! 15 meters OK as per ARRL but start Extra phone at 21,150.

Keep it simple! Do new Novices need 6, 222 and 430 -NO! One good VHF band is enough - 2 meters. Less study material.73 Tom WB8WIV
